Education: April 10-12 | Exhibit Hall: April 11-13
Sands Expo | Las Vegas, NV

NEW! EMERGING TECHNOLOGY ZONE @ ISC WEST

WHAT IS EMERGING TECHNOLOGY ZONE @ ISC WEST? This new featured area will give the security community an inside look at what may be the next big product or service that can revolutionize the security industry. Featuring the latest and greatest new businesses, participating companies will have the opportunity to meet with buyers and potential investors to get feedback on their products, while introducing themselves into the world of security.

“2017 was our second year exhibiting at ISC-West. The quality and quantity of leads from the show are critical to our year-round efforts to grow the business, educate security experts, and identify new distributors. For a small business, exhibiting at ISC West is one of the best decisions you can make.”

Samuel Fish, Shield Security Doors Ltd.
