FOR IMMEDIATE RELEASE

ISC WEST KICKS OFF WITH ISC PREMIER EDUCATION SERIESSM

The Security Industry's Largest Annual Gathering Opens Tomorrow

(LAS VEGAS, NV April 5) - - ISC West opened today with the debut of the revamped ISC Premier Education SeriesSM featuring sessions on the IP Technology Advancement Center & Certificate (IP-TAC²), the Master Security program, Remote Video Surveillance, Dataveillance, Workplace Violence and the CSO Forum. The ISC Premier Education Series is a revamped curriculum developed by the ISC Education Advisory Board composed of representative members of the security distribution channel.

ISC West special event highlights from today included the 8th Annual AIREF Golf Classic, AIREF's sole fundraising event of the year; The SAMMY Awards, *Security Sales & Integration* magazine's annual salute for the best sales, marketing and installation endeavors; the Security Industry Association (SIA)'s Customer Appreciation Reception and the inaugural Women's Security Council Kick-Off Networking Reception.

ISC West is the largest event in the U.S. for the physical security industry and the exhibition opens tomorrow with a grand opening, produced in concert with Ingersoll-Rand. The sold-out show floor will feature over 10,000 products from 900-plus manufacturers with special product feature areas such as the Public Security & Safety Expo and the Global Expo. The show floor includes more than 150 first-time exhibitors bringing never-before-seen products and solutions to ISC West. The Global Expo showcases 300 international vendors-an increase of 20 percent over the number of exhibitors last year.

This year's 32nd SIA New Product Showcase (NPS) will feature 85 entries from 70 companies in a new, larger location. Due to the rapid development of new products and technologies, the NPS has nearly doubled the number of NPS product categories, particularly in the video segment.

With so much ground to cover, ISC West has made the show floor layout easier to navigate with a series of tools that include "My Show Planner" kiosks in various locations on the show floor and ISC West Mobile for smart phones. ISC West Mobile features educational sessions, special events, show floor locations and an online exhibitor directory and interactive map.

The day opens with a State of the Industry Panel discussion at 9:00 AM. The SIA NPS Award Announcements, as judged by a grouping of NPS judges composed of industry professionals, will be made in the afternoon. Among the highlighted educational sessions, ISC Premier Education SeriesSM continues with a series of sessions on Advanced Persistent Threats; Cloud Computing Security Risks and Standards, A Legislative Update of State & Local Municipalities, Convergence: The Key to the Future of Risk Management and Web & Social Media Marketing for Dealers & Integrators. The day also includes a series of vendor solutions sessions presented by Axis Communications, Anixter Inc. and FLIR Systems.
